In the Matter of

RICHARD SKIBICKI, M.D.

Holder of License No. 40850
For the Practice of Allopathic Medicine
In the State of Arizona.

Case No. MD-10-1037A

**ORDER FOR LETTER OF REPRIMAND
AND PROBATION AND CONSENT TO
THE SAME**

Richard Skibicki, M.D. ("Respondent") elects to permanently waive any right to a hearing and appeal with respect to this Order for Letter of Reprimand and Probation; admits the jurisdiction of the Arizona Medical Board ("Board"); and consents to the entry of this Order by the Board.

FINDINGS OF FACT

1. The Board is the duly constituted authority for the regulation and control of the practice of allopathic medicine in the State of Arizona.

2. Respondent is the holder of license number 40850 for the practice of allopathic medicine in the State of Arizona.

3. The Board initiated case number MD-10-1037A after Respondent self-reported to the Board that he was released from a treatment facility for opioid dependence. Additionally, the Board obtained a July 14, 2010 signed Consent Agreement from the Ohio Medical Board suspending Respondent's Ohio medical license for a period of 180 days.

4. Respondent reported that he began using Tramadol in the early 90's for treatment of aches and pains. He also reported that he believed that the drug helped him cope with stressful times in his life. Respondent stated that he initially took Tramadol samples from Pharmaceutical Drug Representatives, and that three to four years ago he had a colleague sign prescriptions created by him using the name and Drug Enforcement Administration (DEA) number of the colleague. In April 2009, a complaint was filed with

1 the Ohio Medical Board regarding Respondent's use of Tramadol. In September 2009,
2 Respondent was involuntarily committed to a hospital for an evaluation of possible
3 psychosis.

4 5. In April 2010, Respondent was ordered by the Ohio Board to attend an
5 evaluation and subsequent inpatient treatment program. Respondent was given favorable
6 discharge on July 12, 2010. Two days later, Respondent entered into a Consent
7 Agreement with the Ohio Board. The Agreement involved suspension of Respondent's
8 license for an indefinite period of time for no less than 180 days. Respondent is required
9 to submit to random drug screens, and is required to enter into an aftercare program with a
10 Board approved treatment provider. Respondent also shall apply to the Board to receive
11 restoration of his license, at which time he shall enter into an agreement to include
12 probationary terms, conditions and limitations as determined by the Ohio Board.

13 6. On December 11, 2009, Respondent was issued a Pennsylvania medical
14 license. However, on August 24, 2010, his license was temporarily suspended due to the
15 action taken by the Ohio Board. Respondent's Pennsylvania medical license may be
16 reinstated after he has demonstrated that he can resume practice in compliance with
17 acceptable standards of care, including certification from a treatment provider that he has
18 successfully completed inpatient treatment for chemical abuse/dependence.

19 7. On August 11, 2010, Respondent entered into an Interim Consent
20 Agreement for Practice Limitation with the Arizona Medical Board prohibiting him from
21 practicing medicine in the state of Arizona. Respondent met with the Board's Physician
22 Health Program (PHP) Contractor shortly thereafter, who recommended that he participate
23 in the Board's PHP monitoring program to include psychiatric monitoring.

2 **CONCLUSIONS OF LAW**

3 1. The Board possesses jurisdiction over the subject matter hereof and over
4 Respondent.

6 conduct pursuant to A.R.S. § 32-1401(27)(f) ("[h]abitual intemperance in the use of alcohol
7 or habitual substance abuse.") and A.R.S. § 32-1401(27)(o) ("[a]ction that is taken against
8 a doctor of medicine by another licensing or regulatory jurisdiction due to that doctor's
9 mental or physical inability to engage safely in the practice of medicine, the doctor's
10 medical incompetence or for unprofessional conduct as defined by that jurisdiction and
11 that corresponds directly or indirectly to an act of unprofessional conduct prescribed by
12 this paragraph. The action taken may include refusing, denying, revoking or suspending a
13 license by that jurisdiction or a surrendering of a license to that jurisdiction, otherwise
14 limiting, restricting or monitoring a licensee by that jurisdiction or placing a licensee on
15 probation by that jurisdiction.").
